September 11-15 in Review

We had a very busy week this week! We had a review week in **Reading**. Students had fun practicing their scripts all week and performing a readers theater in front of the class on Friday! They also enjoyed reading an *I Survived* chapter book. In **Math**, we continued collecting and recording data in different types of graphs. In **Social Studies** we finished a chapter review and started a new chapter on culture. In **Science**, we continued to talk about force, motion, and friction.

Looking Ahead: Please check agendas and folders for your child's progress and any new information every night. Friday Folders will go home every Friday with all graded assignments. Please check, sign, and return. Conduct papers will also go home on Fridays. Please look over and discuss behavior with your child from each day. Conduct papers must be returned in the Friday Folder each week. We will have an early dismissal every Wednesday at 2:15. Please confirm your child's transportation for that day. Picture retakes will take place on October 5th. If you have any questions, please contact me by sending in a note, calling the school, or my email is khicks@decaturco.k12.in.us.
